

# Church of St. Mary's

## Religious Education Curriculum Overview

### Kindergarten

- The goals of the Kindergarten program are to help young children discover their membership in a larger family, the Church. They are introduced to the stories of our tradition in the Bible, the family of the saints and basic prayers. Families are asked to read with their children at home to help reinforce the concepts presented in class. Basic prayers are introduced, including the Angel of God prayer.

### First Grade (Year)

- The goals of the First Grade are to introduce students to a structured study of their Faith. The concentration is on 1) helping them to begin to understand their creation by a loving God; 2) helping them to learn the formal prayers of the church and to begin a life of prayer; 3) helping them to understand their membership in the church.
  - By the end of first year, students will be expected to know the Sign of the Cross, Our Father, Hail Mary and Glory Be.

### Second Grade (Year)

- The goals of the Second Grade curriculum focus on preparing the students for the *sacraments of Reconciliation and the Eucharist*. In the course of this preparation, they concentrate upon 1) the life and person of Jesus; 2) how the church celebrates the sacraments in its liturgy; 3) how they can draw closer to God in prayer and in the sacraments. *In addition to their text, First Communion candidates use a supplemental book in the classroom and home with their families.*
  - By the end of second grade, students will be expected to know an Act of Contrition, the basic responses for the mass, and a prayer to say after receiving communion.

### Third Grade

- The Third Grade curriculum concentrates on what it means to belong to the church. Themes taught in first and second grades are repeated in greater depth, as the students are growing in their understanding. They specifically explore 1) how the church functions; 2) what the church believes in the Creed; 3) how the church depends upon Scripture; 4) will be able to pray the Rosary independently.
  - By the end of third grade, students will be expected to know the Apostles' Creed, the prayers and structure of the Rosary, and be able to describe basic personnel (priest, bishop, etc.) and basic structures (parish, Vatican, etc.) in the church.

### Fourth Grade

- The focus of the Fourth Grade curriculum is the foundation for morality in the Commandments and Beatitudes. Students will 1) learn how our moral tradition is rooted in the Old and New Testaments; 2) what the church teaches about how we should live our lives; 3) explore ways that they can "do good and avoid evil" in their everyday lives.
  - By the end of fourth grade, students will be able to list the Ten Commandments, the Beatitudes, the Precepts of the Church, the Corporal and Spiritual works of Mercy, and the Theological and Cardinal virtues.

## **Fifth Grade**

- The Fifth Grade curriculum concentrates on the sacraments and the liturgy of the church. In addition, they will explore the Scriptures further. Students will 1) learn about each of the sacraments in more depth; 2) have a working familiarity with the liturgy and the liturgical year; 3) explore the life and message of Jesus through the study of the Gospel of Mark.
  - By the end of fifth grade, students will be able to list, describe and define each sacrament, to list the basic parts of the mass, to be able to describe the principal actions in the liturgy, the major seasons of the church year and the holy days of obligation. They will also be able to recite the Nicene Creed.

## **Sixth Grade**

- Sixth Grade focuses on the Old Testament. Students will 1) develop a working knowledge of the major themes of the Old Testament; 2) explore more about Judaism and the world of the Scriptures; 3) be able to describe the links between the Old Testament and the Christian tradition by reading the Gospel of Matthew.
  - By the end of sixth grade, students will be able to identify and describe in chronological order the major events in the Old Testament and the major events in life, death and resurrection of Jesus Christ.

## **Seventh Grade**

- Seventh Grade focus consists of the teachings of Jesus and moral decision-making. Students read the Gospel of Luke which will help lay the foundation for discussion about living a moral life and pose the challenge of discipleship.

## **Eighth Grade**

- The Eighth Grade curriculum consists of studying the Creed, the Acts of the Apostles and life in the church, a review of Catholic teaching and immediate preparation for Confirmation. The review of the Creed, what the church believes, provides a foundation to profess that belief in the sacrament of Confirmation. The year focuses on the ways that the Christian life is lived out by those who are fully initiated Christians.
